Technology Association of Hamilton County

Membership Benefits

Collaboration

Peer Roundtables: The Technology Association of Hamilton County will feature peer-to-peer collaboration through peer roundtable gatherings on a quarterly basis. These gatherings will be coordinated by the peer roundtable and will be designed to bring together the people who are personally dealing with real-life, every day challenges, as well as strategic direction.

Networking: The Technology Association of Hamilton County will host networking events throughout the year to bring the entire association together. Technology Association of Hamilton County members will receive an invitation to all Hamilton County Alliance sponsored events

Interchange: Don't have time to attend the peer roundtable meeting? Need some quick advice or connection? The Technology Association of Hamilton County will develop a dedicated space open to members where questions, needs, connections, and experiences can be leveraged in an instant. Simply present your issue and let the member-community add their knowledge.
